BILL OLSON DEDICATION

Mr. Olson has been an incredible part of our school community, known for his kindness, dedication, thoroughness, thoughtfulness, fun-loving spirit, trustworthiness, and caring nature. He taught social studies for six years at RHS and three years at Barstow, and even brought his teaching talents to schools in Connecticut and at an international school in Austria. For eleven years, he served as the principal at RHS, leading us with wisdom and compassion. Most recently, he has led the district for five years as our fearless Superintendent.

Mr. Olson loved helping students learn and grow. He cherished working with the amazing staff at our schools over the years as we developed new opportunities to better serve our communities. Whether it was cheering us on at games, stopping to chat in the hallways, or encouraging us to reach our full potential, he always made us feel valued and supported.

We are sad to see him go, but we all wish him the very best in his retirement. Thank you, Mr. Olson, for everything you've done for us. Your impact will be felt for years to come, and you will always be a cherished member of our school family.

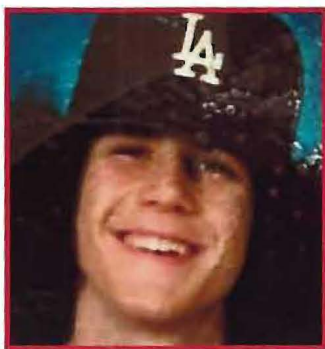

DEDICATION TO GAVIN BARMORE

This yearbook is dedicated to Gavin M. Barmore who was born on March 19th, 2007. He was born in Lebanon, NH but grew up in Killington until 2016 when he moved to Rutland. He attended Rutland High School and was a member of the snowboard team. He enjoyed snowboarding, skateboarding, street style art, and music. He was talented at music. Gavin died Sunday morning, June 30th, 2024, in Mendon from injuries related to a car accident.

"Gavin was and still is my best friend. He was far from perfect just like the rest of us. The difference is he tried his hardest to improve. Gavin and I were as close as it gets. We wouldn't be seen without each other. Every Batman needs a Robin. The night of the tragedy, we were hanging out sharing laughs and chatting like any other night. Make sure your showing love to your homies. It does not cost a single penny to hug your boy. I'll always know Gav wasn't scared to tell me "I love you bro." I'm glad we had that bond. I love you too, bro. Thanks for all the condolence peace! I love my lil brother, Gavin M Barmore."

-- Troy Clairmont

"Somedays feel a little heavier than the rest, but you will always have time to breathe and try again."

RETIREES

Stephen Sampson

Mr. Sampson has been a cornerstone of the Rutland High School community since 1994. For nine years, he served as a guidance counselor, helping students navigate their academic and personal journeys. He then led as Director of Guidance for eight years, touching countless lives with his leadership and compassion. Involved in various school and district initiatives, As an Associate Principal, Mr. Sampson continued to consistently work to enhance the educational experience for all. His commitment and genuine care have left a lasting impression on us. He earned his Bachelor of Arts from American International College in Springfield, MA, and his Master's from Keene State College. His dedication to education has been an inspiration to our community. As he retires, we celebrate his remarkable career and the difference he has made at Rutland High School. We will miss his wisdom and kindness and wish him all the best in this new chapter of his life.

Mary Haskell

Mrs. Haskell first started teaching math at RHS during the 2003-2004 school year. For over twenty years, she has helped students become critical thinkers and problem solvers - two skills that go well beyond the classroom. She has always challenged her students and held them accountable, but also showed them understanding and compassion. Mrs. Haskell has been a strong supporter of her students both in and out of the classroom. She coached the RHS Varsity Girls Tennis Team for over 15 years, instilling in her players that hard work, resilience, and teamwork are the keys to success. Mrs. Haskell's passion for teaching and coaching has made a lasting impact on countless students, helping them see potential in themselves that they never knew they had. Thank you for your wisdom, your patience, and your unwavering support for all of these years. We hope you have a long and happy retirement! We will miss you.

Lance Tabor

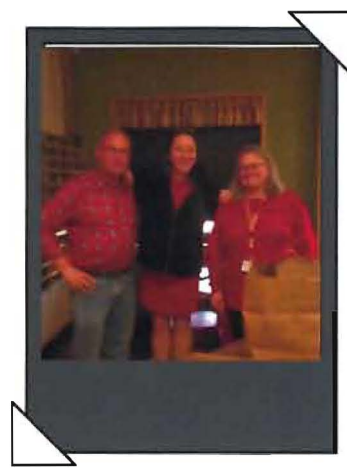

Since joining our school district in 2005, Lance Tabor has been a cherished presence whose dedication and warmth have touched every corner of our community. Beginning his journey at Stafford Vocational Center, Lance went on to contribute his tireless efforts at Longfellow, Northeast School, and finally Rutland High School. Always personable and deeply committed, Lance's willingness to lend a hand and his genuine affection for students made him a beloved figure among staff and students alike. His friendly smile and hardworking nature have made a lasting impression on us all, and while his retirement is well-earned, his daily presence will truly be missed. Thank you, Lance, for your many years of outstanding service—you will always have a place in our hearts.
